150 Years of Philanthropy at Iowa State

Did you know that alumni support helped create Iowa State landmarks such as the Memorial Union, the Campanile and Lake Laverne? Gifts from alumni and friends also helped with newer additions to campus, such as the Gerdin Business Building and the newly renovated Morrill Hall. Philanthropy impacts every part of Iowa State, helping support student scholarships, campus programs, and much more. Please continue this tradition of giving by making a gift today!
